# JILAKARA REVANTH KUMAR

(+91) 9030808053 • jrevanth101@gmail.com • LinkedIn • GitHub

## EDUCATION

**B.Tech in Computer Science and Engineering**                                           2022 - Present
Rajiv Gandhi University of Knowledge Technologies, RK Valley                       CGPA: 9.12/10
**Pre-University Course (MBiPC)**                                                         2020 - 2022
Rajiv Gandhi University of Knowledge Technologies, RK Valley                       CGPA: 9.88/10

## SKILLS

**Programming Languages:** Java, JavaScript, Kotlin, Python
**Frameworks and Tools:** React, Express, Node, Jetpack Compose
**Databases:** MongoDB, SQL
**Other Skills:** Git, GitHub, Data Structures and Algorithms (DSA)

## EXPERIENCE

**GeeksforGeeks (GFG), Remote: GFG Campus Ambassador**                       April 2024 – Present

- Improved the coding community within the college by organizing and promoting coding events.

- Promoted GFG blogs and free opportunities among peers, boosting engagement.

**SRC,CSE Department, RGUKT, RK Valley: DSA Coordinator and Social Media Manager**       April 2024 – Present

- Coordinated and managed student club activities, particularly in Data Structures and Algorithms (DSA).

- Managed the club's social media presence, increasing online engagement and activity.

## PROJECTS

**SRC Student Club Mobile App**                                                              GitHub
**Technologies: Kotlin, Jetpack, Express**
Currently developing a a mobile application for the department's student club, collaborated with a friend, and integrated it with an existing Express backend.

**Finance API**                                                                              GitHub
**Technologies: Node, Express, TypeScript**
Currently developing a finance API that processes bank statements, manages data uploads, and allows for individual data handling, including filtering and more.

**Netflix and Instagram UI**                                                                 GitHub
**Technologies: Jetpack Compose**
Developed user interfaces for Netflix and Instagram using Jetpack Compose, focusing on creating pixel-perfect layouts.

## ACHIEVEMENTS

• LeetCode knight badge with 1855 contest rating and 800+ DSA problems solved
• GFG Institute 1st rank with 1200+ DSA problems solved

## CERTIFICATIONS

• Core Java Specialization Certificate from Coursera                                          Feb 2024

## CODING PROFILES

LeetCode      GeeksforGeeks      CodeChef      Coding Ninjas
